

Sunday, February 1, 2009—Right Division 101: Introduction to Dispensational Bible Study

Introduction

- At Grace Life Bible Church we believe that you can understand the Bible for yourself and that we can show you how.
- This morning's message is geared toward showing you the Bible's own internal methods of study.
- We will not be talking about everything we could and this message assumes that you don't know anything about the topic.
- So if you are new we are staring at ground zero. If you have been around a while we are reviewing.
