The Prophetic Gap

- When the church is caught up and taken out of the way where are we going to be on the chart with respect to Daniel's 70 weeks?
- In the gap between the 69th and 70th weeks.
- Daniel 9:27—the counting of the 70th week, i.e., the final 7 years does not commence until the signing of the covenant between Israel and the man of sin.
- The commencement of the 70th week (Tribulation Period or Time of Jacob's Trouble) probably does not break forth the nanosecond the body of Christ is taken out of the way.
- In short, a space of time between the Rapture and the signing of the covenant beginning the Daniel's 70th week seems fitting and proper.

Overview of the Ages to Come

- Ephesians 2:11-12—“Time Past”—distinction between Jew and Gentile.
- Ephesians 2:13-18—“But Now”—no distinction between Jew and Gentile, middle wall of partition broken down.
- Ephesians 2:7—“Ages to Come”—future from where right. A time when God resumes his prophetic dealings with Israel and ushers in the dispensation of the fulness of times (Eph. 1:10).
- Romans 8:25—when “the fulness of the Gentiles” is come in Israel’s state of temporary blindness will be come in.
- Romans 8:26-27—after the “fulness of the Gentiles” is come in God will resume his prophetic covenant dealings with Israel.
